Description/Proxy suggestion

Sometimes described as a goblin, always described as a git, this pint sized maniac doesn't leave the safehouse without his trusty chainsaw (Nobbla Blackwart)

A sprightly member of the family, more used to crawling in windows or past laser beam security, but it converts to the pitch well. (Black Gobbo)

A nutter with a chainsaw, need I say more!? (Helmut Wolf)

A master with knives, this assassin has never been caught (Skitter Stab Stab)

A former doorman and now enforcer, unbending and cold. (Ivar Eriksson)

This frenzied psychopath may just turn on his own as much as lash out at the enemy (Grim Ironjaw)

The ironic nickname gives no clue to the bulk of this individual (Glart Smashrip)

A hulk of a man that intimidates all who lay eyes on him (Mighty Zug)

More practiced at throwing molotov cocktails than balls (Jordell Freshbreeze)

A nimble elf pickpocket with a talent for Blood Bowl (Eldril Sidewinder)

You never know when it can be useful for an officer to forget (Count Luther Von Drakenborg)

We hear this hulking Troll works in the 'lock up' (Ripper Bolgrot)

I'm only going to say very nice things about Mr Tony, Sir (Skyla Anfingrimm)

A calculating adversary, only resorting to violence when completely necessary (Lucian Swift)

A gutter fighter who has never lost... fair and square (Valen Swift)
